## April 29<sup>th</sup>, 2018 – FIFTH SUNDAY OF EASTER

- 1<sup>st</sup> Reading Acts 9.26-31
- Psalm 22
- 2<sup>nd</sup> Reading 1John 3.18-24
- Gospel John 15.4-5

How many of us have been told, in some form or fashion, or come to believe that pruned branches go to heaven and removed dead branches go to hell?

Not so, Jesus wants and offers connectivity, relationship, and intimacy.

Fruit or the lack thereof Jesus is talking about is our spiritual life and health. It describes and reveals whether we are living a connected or disconnected life in Him. Fruit production is the natural consequence of staying connected.

We all know what happens when we lose connection. We do not hear the voice of the other. When that happens, we become distant. We forget about them.

When we stay connected distance does not matter, there was and remains a connection and mutual abiding that time, distance, does not distort.

The quality of our lives tells us if we are connected to the vine. That’s what Jesus is after. That is the deeper question He is asking of us. It is the invitation to join the conversation, jump into the game, to participate, and to live fully alive. That only happens when the life, the love, and the goodness and holiness of Christ flow in us. We become an extension of and manifest His life, love, and holiness.

It is a relationship of union even as a branch is united to the vine. We live our lives as one. This is not just about relationship with Jesus; it affects and is the basis for our relationships with one another. Love for Jesus, one another, and ourselves become one love. We soon discover we are living one life and the fruit of that life and love is abundant, overflowing, and glorifying to the Triune God.

**“And this is His commandment, that we should believe in the name of his Son Jesus Christ and love one another, just as he has commanded us.”**

- (1 John 3. 22)
