APRIL 21st, 2019 – EASTER SUNDAY OF THE RESURRECTION OF THE LORD

Gospel of John 20. 1-18

It's true. It's all true. Christ is risen!

That's the only thing that needs to be said today. In some ways it's the only thing that can be said. That Jesus has been raised from the dead is the only thing I really have to tell you today. Nothing more. Nothing less. It's the same thing the angel told the two women who went to Jesus' tomb. He didn't tell them once but twice. "He is not here; he has been raised." "He has been raised from the dead." It was true. They saw Jesus. They touched him. They heard his voice. It was all true that day it is all true today 2000+years later.

St. Matthew doesn't offer much more than that in his account of the gospel (Matthew 28:1-10). He does not explain how it happened, only that it did. He is more interested in us living the truth of this gospel than he is in us knowing the details of it. The truth of this story, as he tells it, is earth shaking. It changes the ground on which we stand and the way in which we live.

Jesus resurrection is true. We can count on it. It was true yesterday, it is true today, and it will be true tomorrow. Sometimes it takes months or even years for resurrection to free us from the tomb and pull us out of the darkness but it will. That is the promise of today's gospel. God never leaves anyone in the darkness of the tomb.

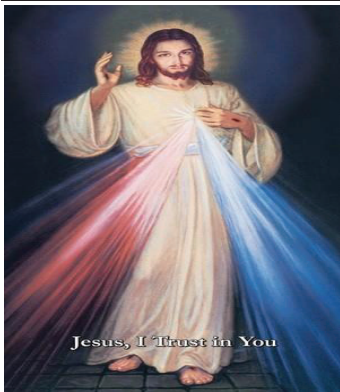

The stone has been rolled away from the tomb. The day dawns with a new light. The earth quakes in celebration and joy. Christ is risen and in Him so have you and I.

Today reminds us that the light of resurrection always prevails. Darkness cannot overcome the light. Regardless of who we are, the light prevails. Regardless of what we have done or left undone, the light prevails. Regardless of our doubts or beliefs, the light prevails. Regardless of our life's circumstances, the light prevails. We may not know how it happens but I know it does. The light of resurrection always wins. Everything about today says believe, know and trust in IT. Where there is light there is life.

That changes everything about how we live. We now live everyday as Easter. Christ's resurrection is not a one day celebration. It is a way of life. It means every cross bears flowers of new life, every tomb becomes a womb of new birth, and every darkness has been overcome by light.

Let us believe, pray, rejoice and give thanks with overflowing hearts for Christ Is Risen.....**He Is Indeed Risen! Alleluia. Alleluia!!!**

Please join us to celebrate

Living the Gospel through immediate mental health services

Mental health problems can escalate if not addressed quickly. That's why the five Catholic Family Services agencies in the Archdiocese of Toronto now offer walk-in counselling. This initiative can often meet clients' need without requiring longer term counselling. Clients report a clinically significant increase in confidence that they can tackle their problems. For some agencies, ShareLife is the sole funder of this important program. By supporting ShareLife, you're helping restore hope to those in crisis.

May 5 is ShareLife Sunday. Please give generously.
