The Gospel: Luke 16.1-13 - The Parable of the Dishonest Manager Serving the Greater Master

From a young age, society presents us the "perfect" roadmap for a life of happiness. This vision usually includes having the fancy job, a large house, extravagant clothes, and a large sum of money in the bank. It is engrained in our upbringing that the amassing of wealth should be the most important facet of our life, which is why the Lord's words in today's Gospel, that "you cannot serve God and wealth," can be so difficult to swallow.

It is interesting that Jesus doesn't say we cannot have wealth, but instead, that we should not serve wealth. What does it mean to serve wealth? It is to preferentially prioritize our efforts for career advancement over our efforts to deepen our relationship with God. Essentially, those who serve wealth utilize all their time and talents to attain more and more possessions. Stewards on the other hand utilize their time and talents to serve Christ and His Church.

In order to foster a healthy attitude towards our wealth, it is important to view it, and our very lives themselves, as a gift from God. It is only then that we can begin to move from gratitude to generosity, graciously sharing our gifts with others for the glory of God and the church. When the temptation to hold onto our wealth looms over us, let us remember Christ's words, and ask ourselves how are we sharing our gifts with the parish community?
