APRIL 23, 2023 – THIRD SUNDAY OF EASTER

Gospel: Luke 24.13-35 – The Road to Emmaus Sharing our Burning Hearts

In today's Gospel we reflect on the Road to Emmaus. As the two disciples walk along, Jesus appears and breaks open the scriptures and breaks bread with them. This same structure is what we experience at Mass with the Liturgy of the Word and the Liturgy of the Eucharist. Reflecting on their walk with Christ, the disciples were profoundly touched, exclaiming "were not our hearts burning within us?" So too, when we partake in Mass our hearts should burn within us from the glory and love of God. But what should we do with this burning?

The disciples rushed back to the others in Jerusalem "that same hour" and proclaimed that the Lord is risen. They learned more about their faith and went in haste to share the good news and support the other believers. Likewise, after growing in our faith and being strengthened at Mass we should support the believers in our parish community by giving of our time and talent. As stewards of Christ, we should not delay in sharing our gifts from God with others but seek to help immediately.

This Easter season, let us decide to renew our commitment to our parish by joining various ministries to help the good news of the resurrection be proclaimed. The Church needs us to be sharers of God's gifts. St Peter in his first letter says, "as each one has received a gift, use it to serve one another as good stewards of God's varied grace" (1 Peter 4:10). Let us end by asking ourselves, how well do we cultivate our gifts and aid the spread of the Gospel?

In this series, Edward Sri reminds us of two basic truths: First, (A) The truth of our human condition: we are full of many weaknesses, wounds, and sins.

Second, (B) The truth of our high calling—we are called to be perfected in God's love and transformed in Christ. Living as a disciple is all about the process of getting from A to B.

MENTAL HEALTH AWARENESS

Sunday, May 7, 2023, has been chosen as Mental Health in the Faith Communities Awareness Sunday throughout the Archdiocese of Toronto. This day is intended to raise awareness in our parish communities of the importance of mental health, how we need to look after it, and how important it is to get help if we are struggling. Increasing awareness about mental health also helps people living with mental health issues to feel less alone.

To support Mental Health in the Faith Communities Awareness Sunday on May 7, 2023, The Southdown Institute have provided the resources found at:
