Gospel: Matthew 17.1-9 – The Transfiguration

Becoming like God The mystery of the Transfiguration alludes to the teaching of the Church called divinization, in which we believe that we humans will be made like God. The USCCB in their Pastoral Letter on Stewardship states that "God wishes human beings to be his collaborators in the work of creation, redemption, and sanctification; and such collaboration involves stewardship in its most profound sense." Let us take some time to reflect on the teaching of divinization and strive to be greater stewards in our parishes, for to be a good steward is to be like Christ.
